Foreword

This is our school - Ottoville - and this is our day - today. But tomorrow will come and we all must move on. All whom we have met and all we have done has become a part of us. We, The Echo of Time Staff, have tried to keep the memory of 1969 alive forever. "To be able to look back on one's past life is to have lived twice." The Echo of Time recalls the people and events who have made this year.

CLASS SONG: SOUNDS OF SILENCE

Hello darkness, my old friend,
I've come to talk with you again,
Because a vision softly creeping,
Left its seeds while I was sleeping,
And the vision that was planted in my brain,
Still remains within the sounds of silence.

In restless dreams I walk alone,
Narrow streets of cobblestone,
'Neath the halo of a street lamp,
I turned my collar to the cold and damp,
When my eyes were stabbed
By the flash of a neon light, split the night,
And touched the sounds of silence.

And in the naked light I saw
Ten thousand people, maybe more,
People talking without speaking;
People hearing without listening;
People writing songs that voices never share,
And no one dare, disturb the sounds of silence.

"Fools!" said I "You don't know,
Silence like a cancer grows.
Hear my words that I might teach you
Take my arms that I might reach you."
But my words like silent raindrops fell
And echoed in the wells of silence.

And the people bowed and prayed,
To the neon god they made.
And the sign flashed out its warning
In the words that it was forming
And the sign said the words of the prophet
Are written on the subway walls and tenement halls
And whispered in the sounds of silence.

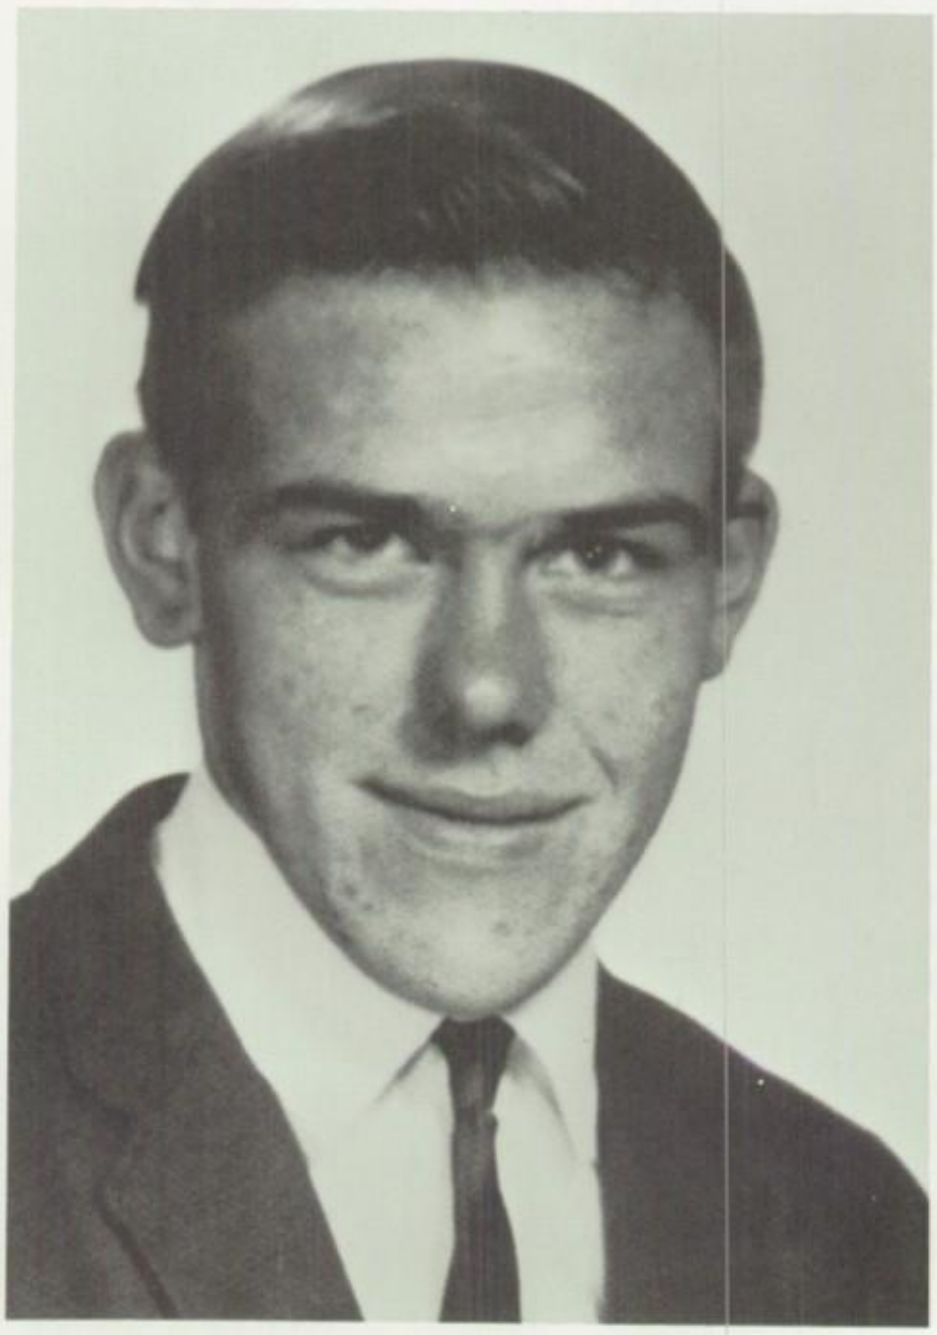
In Memoriam



DAVID EUGENE HOHLBEIN

Dave was a member of the Class of 1969. He would have graduated along with his classmates and friends had it not been for a tragic water accident in June, 1968.

Dave had been active in FFA, baseball, and basketball.

We wish to let Dave's parents, Mr. and Mrs. Oscar Hohlbein, know that we still think of him and will remember him always.

ADMINISTRATION

FACULTY

To each member of the Senior Class of 1969, I extend my best wishes for the future. As seniors, you have served well in the role of providing academic and extracurricular leadership as has been the senior tradition in the Ottoville School District.

I am confident that, as adult citizens, you will continue to provide this same positive direction and service. Our nation needs more students with the qualities you have demonstrated by your achievement as individuals and as a class. The challenge before each of you is to continue to strive to be "the best" as you leave high school and follow life's separate but common duties. If you meet this challenge as adults in a manner similar to the way you met it as students, you will contribute to better the community, the school system, and the nation.

Robert A. Bruns

Robert A. Bruns
Local Superintendent

In these restless, chaotic years the most priceless possession an individual can own is a strong sense of purpose and direction. Both are related to character. Without character there can be no purpose; without purpose, no direction.

Character is the result of the influences which surround a person. Influences are many and varied. They come from the church, from the home, from friends and acquaintances, and from the school. It is our hope at Ottoville that the influence extended by the school has been effective. It is our hope that the extracurricular as well as the curricular activities have helped mold, and will continue to help mold, and determine future character.

Knowledge can be memorized.
Wisdom must think things through.

Wisdom is the something that enables
us to use Knowledge rightly.

Wisdom does not climb on the bandwagon.
It does not follow the crowd.

Wisdom may buy, but it does not let
itself be "sold."

Wisdom resists group pressures, thinks
for itself, and is reconciled
to the use of its own judgment.

Coach of the Year

The big question life asks of everyone of us is: Are you a holdout or allout? And the allouts pick up the prizes.

Remember those thrilling victories over Miller City and St. John this year. Yet, basketball is like life - you win some and you lose some.

I would like to thank the team in general, and the co-captains, Mike Gasser and Mike Leis, in particular for their willingness to work with total abandon in order to be a winner this year and not a rebuilder the season to come.

Team and fans, I hope you enjoyed every moment of this year's "Big Green" basketball.

We leave now, but we can never forget all that you, OHS, have given to us. The years have brought tears, sorrows, and heartaches, as well as, laughter, joys, and happiness. In time of distress and hopelessness we have looked down the halls of OHS and found consolation. But, now as we, the seniors of '69, leave one form of life, we venture on to another; one of challenges, opportunities, and maturity. We hope to carry with us the fond memories of all our school years and all of our dear friends.
